

# 7<sup>TH</sup> GRADE STEM POLICES AND PROCEDURES

Mr. Reynolds

# PROCEDURES

- Why do we have procedures?
  - In school?
  - In the science lab?
  - In the hallway?
  - In the gym?
  - Outside the school building?

# PROCEDURES

- Everyday
  - Come in quietly and respectfully.
  - Get your supplies for the day out of your backpack.
    - Shapen your pencils before you sit down.
  - Hang up your backpack on the hooks in the back of the room. (Be sure all zippers are closed)
  - Start and complete the warm-up indepently.
  - Copy the objective from the board. Copy homework assignment(s) into planner.

# HALLWAY BEHAVIOR

- Walk with hands behind your back
- Stand up tall with pride and attention
- Silently walk with mouth closed
- Stay in the line the entire time with your class and your teacher

S h i n e

Silent      Hands to side (or back)      I am ready      Neat feet      Eyes forward

# CLASSROOM RULES

- **Be Responsible;** follow all directions when given
- **Be Respectful;** be on time, raise your hand if you need teacher's attention, and stay in your seat until you have permission
- **Be Ready;** bring all needed materials to class
- **Be Considerate;** keep all objects, hands, and feet to yourself
- **Be Kind;** if you don't have anything nice to say, then don't say anything at all
  
- **Any behavior** which breaks school rules, or prevents Mr. Reynolds from teaching is unacceptable.
- **Unsafe behavior** in the lab will not be tolerated

# CONSEQUENCES

- Why do we have consequences?

- Verbal Warning
- Phone Call Home to Parent
- Detention (with me after school)
- Referral to Office / Yellow Card / Red Card

- Are all consequences are negative?

- Stickers/Pins
- Pizza with the principal
- More...

# LEAVING THE CLASSROOM

- Interrupting class generally hurts the learning process!
- Please wait until I have finished talking before you ask to leave the room.
- All students **must sign out** when leaving the room for any reason.
- When using the restroom, use the restroom directly across the hall from our classroom.

# MATERIALS

- Please see the supply list on the school's website:
  - <http://www.alanevada.org/assets/grades78.pdf>
- For lab experiments and any materials used in science class all students must wear PPE (Personal Protective Equipment). Depending on the lab, some or all of the following:
  - Lab Coat/Apron
  - Goggles
  - Gloves
- Students will help maintain and clean all science tools, materials and PPE.
- ALA will provide all of the above. If the student chooses to bring their own, please be sure the items will accomplish the task they are designed for. Each item must adhere to the school's dress code. Please check with the teacher if there are any questions.

# GRADING

- Tests/Quizzes/Lab Reports 70%
- Homework 30%

■ No extra credit assignments are ever assigned.

- 😊 = A
- 🙂 = B
- 😂 = C
- 😬 = D
- 😭 = F

# INTERNET ACCESS

- Students are expected to follow all the rules in the student hand book.
  - Please see the teacher or any adult in the school ASAP with any questions, threats, cyper bullying or any other concerns.
- We will use Google Classroom for most eletronic assignments and technology/engineering assignments/reports.
- Each student will need to create a Google account.
  - Then join each of your three classes on Google Classroom.
- **BE SAFE ONLINE!**

# VOICE LEVELS RETURNING FOCUS

- 0 – Silent/Quiet
- 1 – Whisper
- 2 – Conversation
- 3 – Presentation
- Hold up right hand

## **VOICE LEVELS**

- 0** = No Talking
- 1** = Whisper Voice
- 2** = Quiet Conversation
- 3** = Presentation Voice
- 4** = Outside Voice

- A – Always
- L – Listen
- A – Attentively
- As we say each “A, L, A” we hold 1, 2, 3 fingers.

# TARDY TO CLASS

- Students are expected to be in class and seated on time
- If a student is late to class (even one minute), the student must stop by the front office to get a tardy pass and bring the pass to the teacher
  - Remember the hallway behavior we discussed above

# WATER BOTTLES

- Students are permitted to have a clear closeable container for water only
- Clean up any spills right away and make sure the spill area is blocked off

# PAPER HEADING

- **S** – Subject / Class / Red or Blue
- **T** – Teacher
- **A** – Assignment Name
- **N** – Name
- **D** – Date

Write all of these items in the upper right corner of every assignment.

# HOMework BINDER

- Use your binder effectively.
- Divide the binder into all three STEM subjects: Science, Math and Coding/Engineering using dividers.
- Recommend using a zipper pouch that fits into your binder for pencils, color pens (red, purple, green and etc.) and two or three highlighters

# LATE HOMEWORK

- All students are expected to be responsible for their assignments and obeying due dates.
- In the event of a late assignment:
  - Assignments will be accepted up to three days late
  - Each day late will earn a 20% deduction in credit
- Late assignments due to an excused absence will not have a penalty. Students will have an equal number of school days as days missed due to the excused absence to get missing assignments turned in.

# INTEGRITY

- All stakeholders are expected to conduct themselves in honest and moral manner. Leaders must always maintain a high level of integrity!

INTEGRITY  
IS DOING THE  
RIGHT THING.  
EVEN WHEN  
NO ONE IS  
WATCHING.

C.S. LEWIS

- Be truthful in your statements – both written and spoken
- All assignments submitted should be your own original work, with a work cited page if you reference another persons work.

# STUDENT LEADERS

- Receptionist

- Student will answer the classroom phone in a professional manner, minimizing class interruptions.
- Pass out papers or materials when asked
- Collect papers or materials when asked

- Greeter

- Student will greet anyone that comes into our classroom in a kind and professional manner
- Introduce themselves
- Welcome the visitor to our classroom
- Explain to the visitor what we are doing in class at the moment

# CLASS DISCUSSIONS

- Students are expected to participate as much as possible
  - Each student must raise their hand and wait to be called on
  - Students without their hand raised will be called on as well
  - Be concise in your discussion
  - Judgement of others will not be tolerated
  - Disagreements will come up and are healthy
    - Remember one of our rules is to be kind

# VISION OF ALA - NLV

- LEARN
- LEAD
- CHANGE THE WORLD!
